RE: Zoo agreement

Margaret -

attached are copies of a draft or notice and digest, and agreement between the City and EBZS. The agreement includes your earlier comments and the Zoo's comments to our comments.

The only major area which needs a legal opinion on is, "Can the EBZS increase fees on their own w/o city council approval?" Joel refers to the old agreement which allowed them to. HKW

does not have a problem with the Zoo raising their fees to a point. The only agreement allowed a 10% flexibility for the Zoo.

I inserted, w/Joel's approval, section # 14 "Board of Trustees".

PRAC will review the draft at their Wed. 2/10/93 mtg. After that mtg we can begin to finalize the language. If you can, please let me know about the "fees" before Wed's mtg.
Thanks,
Ceda
