RE: CONTINUATION OF CITY/SOCIETY AGREEMENT

Dear Dr. Parrot:

As you are probably aware, the term of the original agreement between the City of Oakland and the East Bay Zoological Society ended in August, 1992. Since we are still in the process of negotiating the terms of the new agreement, this letter will serve to extend the original agreement until such time as a new agreement is executed between the City and the Society.

The City hereby consents to the continuation of the original agreement on a month to month basis upon the same terms and conditions as provided in the original agreement. Please indicate your assent by signing in the space provided below.

Very truly yours,

JAYNE W. WILLIAMS
City Attorney

Dear Ceda:

Enclosed is the signed, original copy of the continuation of the City/Society Agreement provided by Margaret Fujioka. Please note that the document is signed by Launa Craig, Vice President of the East Bay Zoological Society. The Vice President has authority to sign legal documents on behalf of the Society. If you have any questions, please feel free to give me a call.

It is the desire of the Society to continue to make progress on the new ten-year contract for management of the Zoo. We would like to propose a target date of April 1, 1993 for Council approval and closure on the new contract. I hope that this timetable seems reasonable to your office.

Also enclosed is a copy of the Bylaws of the East Bay Zoological Society, per your request. If I can be of further assistance, please let me know.

Sincerely,

Joel J. Parrott, DVM
Executive Director
