Subject: Supplemental Materials to RWQCB for Zoo JARPA

Jim,

City Planning staff, along with City watershed and stormwater management staff, has reviewed the supplemental materials received in our office on October 9, 2012, to be submitted in response to Regional Water Quality Control Board comments concerning the incomplete JARPA application for the Zoo expansion project. Scott Miller, Interim Planning and Zoning Director, has approved your request to submit the supplemental materials to the Board.

Please contact me if you have any questions.

Regards,

Darin Ranelletti
