

# YES on A1: Help Our Animals & Kids

I like going to the zoo to see  
Leonard and the animals. Please help  
take care of my friend Leonard.

**Dear Neighbor:**

Please join me and other school superintendents in Alameda County in voting **Yes on Measure A1**.

The Oakland Zoo educates more than 200,000 children from all parts of the County every year. It teaches them about nature in a way that isn't possible from books alone. It fills them with wonder. It excites their curiosity. A class visit to the Oakland Zoo combines learning with adventure in the best way.

Passing **Measure A1** protects the animals' habitat. It ensures humane treatment. It upgrades the Zoo's capacity to handle school and family visits in a way that's safe and fun for the children, while allowing the animals to thrive.

**Measure A1** is a great bargain. It will cost property owners only one dollar a month. If you love animals and you love children, vote **Yes on A1**.

Sincerely,

*Sheila*
